

Greg Wolf

Professional Sports | Entertainment Host & Emcee

Greg Wolf has been a staple at events throughout the Tampa Bay area for over two decades. A graduate of the University of South Florida in 1998, Greg immediately launched into the entertainment world as a popular radio host at WiLD 98.7 (now WiLD 94.1) from 1995-2006. Greg leaped into the Sports & Entertainment field in 2006, taking a position in Marketing with the Tampa Bay Lightning (NHL) & Tampa Bay Storm (AFL). That opportunity led Greg to taking over the In-Game Hosting duties for both organizations, since 2007. Greg also currently serves as Host for the University of South Florida Football, Basketball & Hockey programs.
