WHY STREET LACED?

Street Laced has built a roster of some of the most talented and respected DJ's in the Tampa Bay area. We believe in quality over quantity and have only added the "BEST of the BEST" in the business to our team. Our DJ's were all chosen based upon their professionalism and punctuality, but also because they have major market radio or entertainment affiliations. They rock crowds nightly at some of the best attended clubs and can adapt to most any music format needed to accompany any event.

They are true professionals.

From Bar Mitzvahs to Weddings, Homecomings to Proms, Birthday Parties to Community Events, we have done it all. Our DJ's most recently have worked major sporting events including the College Football National Championship,

Women's Final Four, The Frozen Four, SEC & ACC Championships, Tampa Bay Lightning & NHL Stanley Cup Playoffs, along with Tampa Bay Buccaneers Bucs Beach, IMG Academy Summer Programs & USF Athletics!

Street Laced DJ's Don't Play, They Just Win!
